

March 25, 2013

We are pleased to announce the merger of Pannell Associates Sales Co. and Pro-spec, Inc. Effective April 1, 2013, Pro-Spec will join Pannell Associates Sales Co. at 5411 S. 101 E. Ave. Tulsa, OK. Wayne France will continue as product sales manager for water heating and pump products. Harold France will remain as a consultant, providing his expertise in training, specification, and marketing initiatives. This combining of firms will provide continued expert representation of Pro-Spec and Pannell Associates' manufacturers' products; and ensure a high level of customer service, market support, future growth and continuity. Pannell Associates welcomes this addition of personnel and product lines in our continued effort to remain the preferred commercial plumbing and mechanical representatives in Oklahoma.
